

Bringing our nurses to you

BASELINE NURSING ASSESSMENTS IN YOUR HOME

Baseline Nursing Assessments are designed to proactively address your changing health and well-being needs.

By assessing your current health status, we can tailor your Support at Home program to better support your independence and quality of life at home, helping you live the best life possible for as long as possible.

Benefits include:

- ✓ Personalised care just for you
- ✓ Identify health issues earlier
- ✓ Staying independent at home longer
- ✓ Access to specialised support
- ✓ No out-of-pocket expense
- ✓ Decrease hospital admissions
